

## LOCAL AND GENERAL.

The Y. H. I. will hold a meeting this evening at Foster Hall at 7:30 o'clock.

Chas. Warren is acting captain of the third watch in the place of captain Hookano, resigned. Bicycle Patrolman Gardner is acting lieutenant in Warren's place.

Battery G, third artillery, has arranged a field day program for this afternoon on the Makiki baseball grounds. Admission will be free. All kinds of interesting events are on the program.

Each of the men of the third Manila Expedition wears an identification tag of aluminum strung around his neck. The tag bears the Regiment name, company letter and mess number of the man.

E. Burton Holmes has gone to Maui to take pictures. He made an attempt to have a motion picture of the fire department taken on the Fourth of July, but Chief Hunt thought this would be too dangerous, considering the number of people on the streets. He will take a picture upon his return.

The Waverley Club mailed over 800 letters at the Foreign office which were written in their Club rooms by the "Boys in Blue." Amongst them was one letter unaddressed and on opening to find address of the writer nothing was found to enlighten one excepting address, "Dear mother," and finish, "Do not be uneasy about me, your son Rob."

J. E. Davis, stenographer and typewriter, with Humphreys & Gear. Telephone 751.

## Editorialist III.

Murat Halstead, one of the oldest and best known newspaper men of the United States, is sick at the Queen's Hospital. He arrived here on the Newport en route to Manila as correspondent. Mr. Halstead is seventy-two years of age. The excitement and worry attendant to getting ready for the journey undermined his health. He will remain here until the next transports arrive, by which time he hopes to be able to continue on his trip.

## Death of a Visitor.

John Mason Jackson of Chicago, aged 39, died at Dr. McGrew's yesterday morning from diphtheria. Deceased was at one time secretary of the Western Electric Company of his home city. He came here during the latter part of 1897 to seek rest and health. Dr. Rosell, a young Cuban physician of ability, accompanied him. The funeral took place from the undertaking parlors of H. H. Williams yesterday afternoon.

## Disastrous Fire at Night.

The barn at the home of Tom Hollinger, Waikiki, burned to the ground between 10 and 11 o'clock last night. The two race horses, Margaret H and Gerster, together with a racing mare and Mrs. Hollinger's driving horse, were burned alive. No theory as to the origin of the fire has yet been arrived at. The whole barn was in a mass of flames before the discovery was made. Efforts to save the poor animals proved fruitless.

## A Brave Officer.

Ensign Curry of the Monadnock bravely rescued Private Hammersley of Co. D, Idaho troops, from drowning as the tugboat was escorting the Valencia into port early this morning. Hammersley was in swimming and was taken with cramps. He called for help and Curry jumped off the tug with clothes and shoes on, reaching the man in a short time and helping him into a boat.

## Dante's Farewell.

Dante's special performance at the Opera House last night drew forth a fair attendance. The program presented by the magician was excellent. Princess Kaiulani was present in the Irwin box with the following party: Mrs. Rose Robertson, Miss Helen Parker, Miss Lucy Ward, Prince David Kawanaaka, Hon. A. S. Cleghorn, Col. General Wm. Baywood and James Robertson. The box opposite was occupied by officers of the Minnesota and Wyoming troops.

## S. S. Newport.

The steamer Newport carrying two batteries of the 3rd United States Regular Artillery and the Astor battery, is the flagship of the Pacific Mail Co.'s Panama fleet. She is commanded by Capt. J. W. Saunders, formerly chief officer of the China, and C. O. Tilton, at one time chief officer on the Peru, is the second in command. The rest of the officers of the ship are as follows:

Jno. O. Peterson, 2nd officer.  
M. Harrison, 3rd officer.  
H. W. Dixon, chief engineer.  
J. J. Sullivan, 1st asst. engineer.

Chas. Smith, 2nd asst. engineer.

Chas. Morse, 3rd asst. engineer.  
R. C. Morton, captain's clerk.  
Andrew Miller, chief steward.

## S. S. Newport's Military Officers.

The officers on the Newport in charge of the troops are as follows:

Major O'Hara, commanding battalion, 3rd U. S. Artillery.

Captain Hobbs, commanding battery.

Lieut. March, commanding (Astor) battery.

Lieut. Krayenbuhl, commanding battery.

Lieuts. Williams, England, Kessler and Koehler.

Dr. Daywalt, acting assistant surgeon.

## NOTES HERE AND THERE.

Points About Soldier Boys Gathered in a Stroll About the City.

Several officers of the Minnesota boys went to the Pacific Mail wharf late last night for the purpose of going aboard the City of Para, but when they got there the steamer had gone into the stream. The officers had been to Dante's performance and sought vainly for the gangway, thinking pranks were being played with their power of sight.

The North Dakota boys on the Valencia are a hale and hearty set. There is no trouble with their lungs.

Up to noon today over 6000 visits had been paid at the Y. M. C. A. Over 1260 letters were sent to the Foreign Office to be mailed and 2000 went off on the Warri-moo. Over 800 baths were given the soldier boys yesterday. Nobody can say that the Y. M. C. A. is not doing its part to provide comforts for the soldier boys.

The baseball game between a picked team of Honolulu boys and the team from the Minnesota boys on the Makiki grounds yesterday resulted in a victory for the former by a score of 12 to 5. Dr. Chance umpired the game. Following is a list of the players:

MINNESOTA. REGIMENT.  
Tucker..... p..... Hart and Davis  
Priest..... C..... Cunha  
Ryberg..... 1 b..... Kiley  
Ritchie..... 2 b..... Thompson  
Clark..... 3 b..... Davis and Hart  
Barlow..... 4 b..... Gleason  
Erickson..... 5 b..... Duncan  
Bergstrom..... 6 b..... Jones  
Robinson..... 7 b..... Lewis

The score by innings was as follows:

Minnesota..... 2 0 1 0 2 0—5  
Regiments..... 0 3 0 3 1 0—12

There is a very fine glea club on the Newport composed of the men of the Astor battery.

R. N. Arenholt, one of the Reg-ulars arrived yesterday, is a printer by trade and was not long

in finding the BULLETIN office. He is another who thinks he would like to live here after the war.

Mr. Peters, the artist for Leslie's publications and the Century, is on the Newport.

There is a great scarcity of matches on board the Ohio. Many of the men use the old flint and steel scheme.

Many of the men from the transports were swimming from the docks this morning. Some of them were using life preservers to aid them in their fun.

The Newport had an exceedingly rough trip for the first two days. She ran into a gale and one of the military officers claims she turned completely over two or three times.

This is the first time since 1816 that the Astor family has done anything to especially interest Hawaiians. In the year mentioned a ship, the Lark, belonging to the Astors was wrecked. Kamehameha the First claimed the wreck for himself but gave all possible assistance to the crew.

Major Herbert M. Lord, who is in the S. S. Indiana contingent, called to see W. R. Farrington, editor of this paper, and was much disappointed to find him absent at San Francisco. Major Lord is from Maine and was associated on a newspaper once with Mr. Farrington.

General Whittier, on General Merritt's staff, is one of the dozen most prominent society men of Newport, New York, Boston and Washington.

The Hawaiian Electric Company has very considerably placed a barrel of pure cold water outside its works for the refreshment of the thirsty troops.

## PRESENTATION OF A BIBLE.

Chaplain Cressy of the Minnesota Troops, Remembered by the G. A. R. Post.

A full meeting of the Geo. W. De Long Post, G. A. R., was held in the headquarters on King street last night for the purpose of welcoming Chaplain Cressy of the Minnesota troops, who is himself a member of the organization mentioned. Chaplain Cressy made an address that stirred the members as they had not been in a long time. Then came the presentation to the popular chaplain, of a neatly bound bible as a token of the love and esteem of the members of the Honolulu post. Chaplain Cressy remained silent for a moment and then, with tears in his eyes, said he was glad he had made his speech before the presentation. Otherwise, there could not have been a speech. Among other things done by Chaplain Cressy in the G. A. R. hall was the singing of the following song composed for the 13th Minnesota by himself:

(Tune, "Marching Through Georgia.")

Fill your bugles up with song,  
My Minnesota boys;  
We'll gather 'round the camp-fire,  
And we'll make a little noise;  
We'll sing a song together  
To intensify our joys,  
For we are going to Manila.

CHORUS:  
Hurrah! Hurrah! We'll make a jubilee;  
Hurrah! Hurrah! Hurrah! for you and me;  
Hurrah! for Minnesota, and our country great and free,  
For we are going to Manila.

We're going to see Dewey  
And his sailor boys in blue,  
Who fought the biggest battle  
That the nations ever knew;  
They met the Spanish navy,  
And they knocked it all askew,  
Down in the harbor of Manila.

CHORUS:  
We'll never mind the hardship,  
While we sail the ocean blue;  
If Neptune calls for tribute,  
We'll give him all that's due;  
For we're from Minnesota—  
We can sing or we can spew,  
While we are sailing to Manila.

CHORUS:  
We'll never let our courage lag,  
Whatever comes along;  
There may be danger for us,  
But we'll spice it with a song;  
In camp, or fight, or hospital,  
We'll jolly be and strong,  
When we arrive in Manila.

CHORUS:  
Here's health to all the pretty girls  
We've left so far behind,  
And dear old Minnesota  
That is never out of mind;  
And when the war is over  
What a welcome we shall find,  
When we get home from Manila!

CHORUS:

## Right at Your Door!

Every summer many of our people visit at the various springs throughout the United States in search of lost health. Owing to the heavy expense incurred by time consumed in making these journeys, many are compelled to remain at home in consequence.

## Bartlett

After careful study and thorough investigation as to the most effective waters for the ailments most common to our people, we find that BARTLETT SPRINGS WATER is by far superior to all others. Many prominent residents of Hawaii have visited the springs and all alike agree that it has no equal in curative qualities.

## Springs

The leading physicians of California prescribe it, many consider it indispensable. For stomach and kidney troubles it is especially recommended. Call and receive a circular containing testimonials of people who are well and favorably known.
